

**Unlimited number of users!**

**Access from any computer!**

**No software to install and maintain!**

Our *EOC Test Online Testing* is based on the current standards published by the Alabama Department of Education. Our **user-friendly Online Testing** is available in **Algebra I** and refers students to pages in our *Passing the Louisiana Algebra I End of Course Test* book for further explanation of concepts. Online Testing also features:

- **User-friendly interface**
- **Practice mode without a time limit or Testing mode with timed tests**
- **Random question sequencing**
- **Pause test and resume at a later time**
- **Comprehensive Reports Section that track students' progress and scores**
